## Multimedia Powerhouse

### Selling Points

#### 1 Turbo Charged Mobile Performance

Smart performance starts here with the new **Intel® Core™ i3 processor**. Serving as the perfect threshold for a fast and responsive computing, it features 4-way multi-tasking power allowing each core to work on tasks simultaneously.

Connect to the Internet anywhere, anytime. **802.11b/g/n Wi-Fi CERTIFIED™** conveniently delivers rapid and reliable wireless connectivity from your home, at work or on-the-go.

**Windows® 7 Home Premium** makes it easy to enjoy and share your favorite TV shows, photos, videos, and music.

#### 2 High-Definition Multimedia Fun

Enjoy today's best HD entertainment on the cinematic **15.6" HD widescreen LED-backlit display (true 16:9)**. **HDMI port** easily extends the view to a TV via a single cable delivering crisp high-quality visuals and high-fidelity audio.

**Dolby Home Theater® V3** delivers audio that's true to the original source, so you hear every detail. And with **5.1 channel output** you can enjoy intuitive surround sound through **any pair of speakers, or set of headphones**.

Prepare to be stunned by the clarity of **Blu-ray™ High-Definition** - experience interactive features from a Blu-ray Disc movie and extraordinary HD detail (up to 1080p when connected to a 1080p display via **HDMI**). The Blu-ray/DVD optical drive also lets you **burn CDs and DVDs** of your favorite music, photos and files.

#### 3 Packed with Extra Features & Travels Light

This Acer Aspire 15.6" Notebook is loaded with features while being amazingly thin and light making it easy to take to the coffee shop, on a plane, to class or just around the house. The durable design sports a stylish black matte cover with a discrete textile pattern that stays clean from fingerprints.

**1.3 Megapixel HD webcam** presents vivid images even in low light situations so you can go face-to-face in online chats and easily take still pictures and videos to share.

**A Dedicated Numeric Keypad** makes number key-in's quick and streamlines productivity.

Smart controls like the **Easy-launch P-key** let you open your favorite or most used program with a single touch.

Microsoft® Silverlight™

Skype™

#### Windows Live™ Essentials - Wave 3.2

(Mail, Photo Gallery, Live™ Messenger, Movie Maker, Writer)

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) 1 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8 GB (10 GB with Microsoft® Works with Office Home and Student 2007 Trial) of the stated hard disk capacity as dedicated backup space.

(4) Battery life varies depending on product specifications, computer settings and applications or features launched.

(5) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>. or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada

(6) Internet access required. First 60-days of live updates included, subscriptions required post 60-days.

(7) 60-day trial, option to purchase full-version of the Office software will be made after the 60-day trial. All files created during the trial will remain on the PC system regardless of full version purchase.

(8) Additional fees and conditions may apply
